PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Computer Science undergraduate with hands-on experience in Artificial Intelligence, Machine Learning, and Computer Vision from Techno India Group. Proficient in Python, C, C++, Java, and modern deep learning frameworks (TensorFlow, Keras). Demonstrates a versatile technical foundation combining computer science principles, object-oriented programming, and technical drafting. Strong analytical and problem-solving skills aiming to contribute effectively to software engineering and AI/ML project teams.

EXPERIENCE & INTERNSHIPS

AI / Machine Learning Intern

Jun 2026 – Jul 2026

The Institute of Computer Engineers (India) – A Unit of Techno India Group

Kolkata, WB (On-site)

- Completed an intensive Artificial Intelligence and Machine Learning internship program focused on core AI architectures and model development.
- Implemented deep learning models, neural networks, and computer vision pipelines using Python, TensorFlow, Keras, and NumPy.
- Collaborated on building, training, evaluating, and fine-tuning predictive algorithms and classification models.
- Utilized Git and GitHub for version control, reproducible research, and modular project delivery.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science

Sep 2024 – Present

Acharya Prafulla Chandra College

Kolkata, WB

- Key Coursework: Data Structures & Algorithms, Object-Oriented Programming, Operating Systems, Database Management Systems, System Architecture.

National Trade Certificate – Draughtsman (Civil) [NSQF]

Aug 2023 – Jul 2025

Barasat-1 Government ITI College [CGPA: 7.6]

Kolkata, WB

- Specialization in 2D/3D CAD Modeling, technical drafting, structural layouts, and civil engineering specifications.

Higher Secondary Education (WBCHSE) – Commerce

Jul 2022 – May 2024

Madhyamgram High School (H.S)

Madhyamgram, WB

TECHNICAL SKILLS

Programming Languages:

Python, C, C++, Java, Object-Oriented Programming (OOP)

AI & Machine Learning:

Machine Learning, Deep Learning, Artificial Intelligence, Computer Vision

Libraries & Frameworks:

TensorFlow, Keras, NumPy

Web & Design Tools:

HTML, AutoCAD (2D/3D Drafting)

Version Control & Tools:

Git, GitHub, VS Code, Linux/CLI

CERTIFICATIONS & LICENSES

National Trade Certificate in Draftsman (Civil) (NSQF)

Issued Aug 2023

National Council for Vocational Training (NCVT)
